RE: CA 05-536 KAJ
CA 05-600 KAJ

Sir:

I am sending this letter to my son, Frank..... you will get this letter through him because the mail room and the business office here at DCC is not sending my mail out. I have kept a running, continuing record of outgoing mail since Sept. 22, 2005. I use pay to's (forms that the Delaware prison system uses to authorize the business offices to deduct monies from an inmates account e.g. to pay postage (1st Class, Certified, Return Receipts requests)). According to my personal records ~~you~~ have not acknowledged the approximately 15 pieces of mail I have sent to you via pay-to's:

1. I sent you \$5.00 (5 dollars) for copies I have yet to receive...
2. I sent you a request for an attorney to represent me on my above CA's, I forget the Code # and section # I quoted for this representation...
3. I sent you a request to add names of C/O's (DRUGAST, LT. G.R. Johnson) to my above CA's...
4. I sent you a narrative of the first beating I underwent by C/O Baker...
5. I have sent, by pay to's, numerous other mailings with no responses to any ~~of~~ of the above mailings. As of this date, the business office (Support Services) here at DCC refuses to provide me with an account summary so I may verify the deductions from my account which would ^{also} verify the mailings of my numerous legal letters. I have submitted grievances, in-house letters to the Warden, to no
